

Directions for getting to the Oxford Branch Show in the Old Mill Hall, School Lane, Grove.

(1) From the east or west along the M4, or from the south on the A34.

From junction 13 (Newbury/Oxford) on the M4, proceed northwards towards Oxford on the A34 dual carriageway. Exit at Chilton interchange, sign-posted Wantage A4185 (A417); note: this is now a full interchange. Turn left along the A4185 Newbury to Oxford Road, passing the Diamond Light Source at RAL, and the Harwell science park on the left. At the Rowstock roundabout turn left along the A417 to Wantage. In Wantage turn right on to Seesen Way by Broadway Garage and continue to Grove on the A338 Grove Road, passing two roundabouts at Sainsburys and by Mably Way. Take the left fork at Grove traffic lights and proceed along Main Street to Old Mill Hall, turning left immediately after the Tesco Express into School Lane. (**Warning:** because of the school there are traffic calming bumps toward the end of the lane, just before the roundabout into the car park; these are vicious – when it says 5mph it means 5mph).
